

Ergebnisse des Progress Test Medizin vom WS 2021/22

AG Progress Test Medizin Charité - Universitätsmedizin Berlin

Die Leistung der eigenen Universität

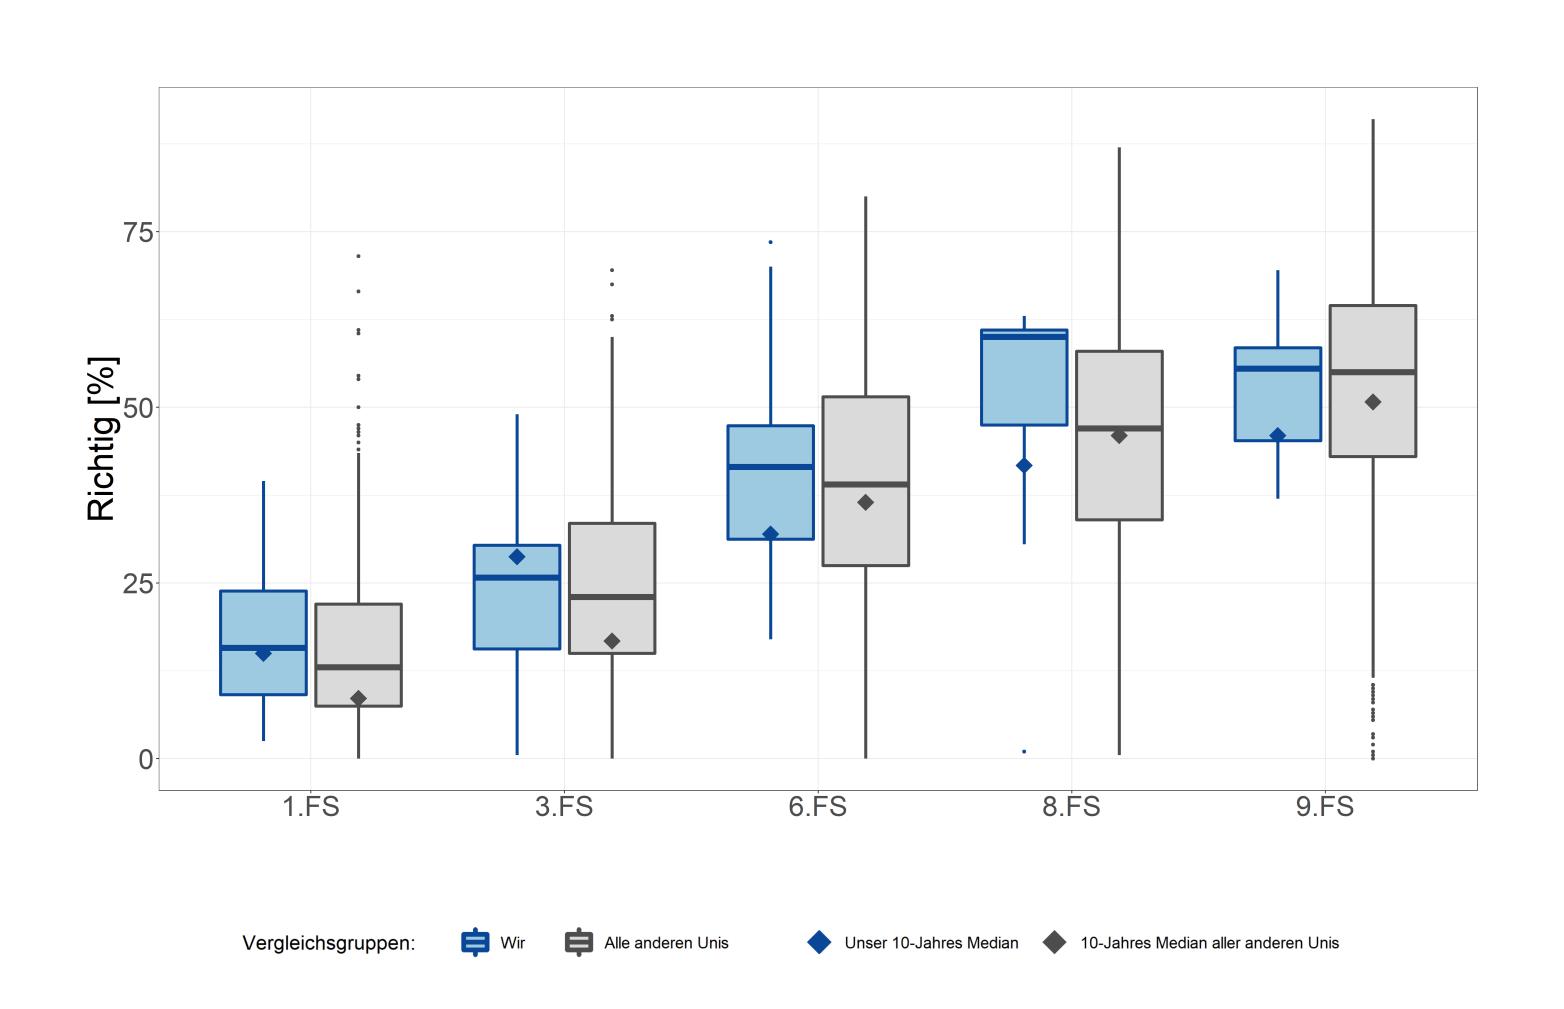

Diese Grafiken zeigen den Wissensstand pro Fach und Organsystem in den unterschiedlichen Semestern im Wintersemester 2021/22.

Richtig [%] 0% 20% 40% 60% 80%

Die Leistung im Vergleich

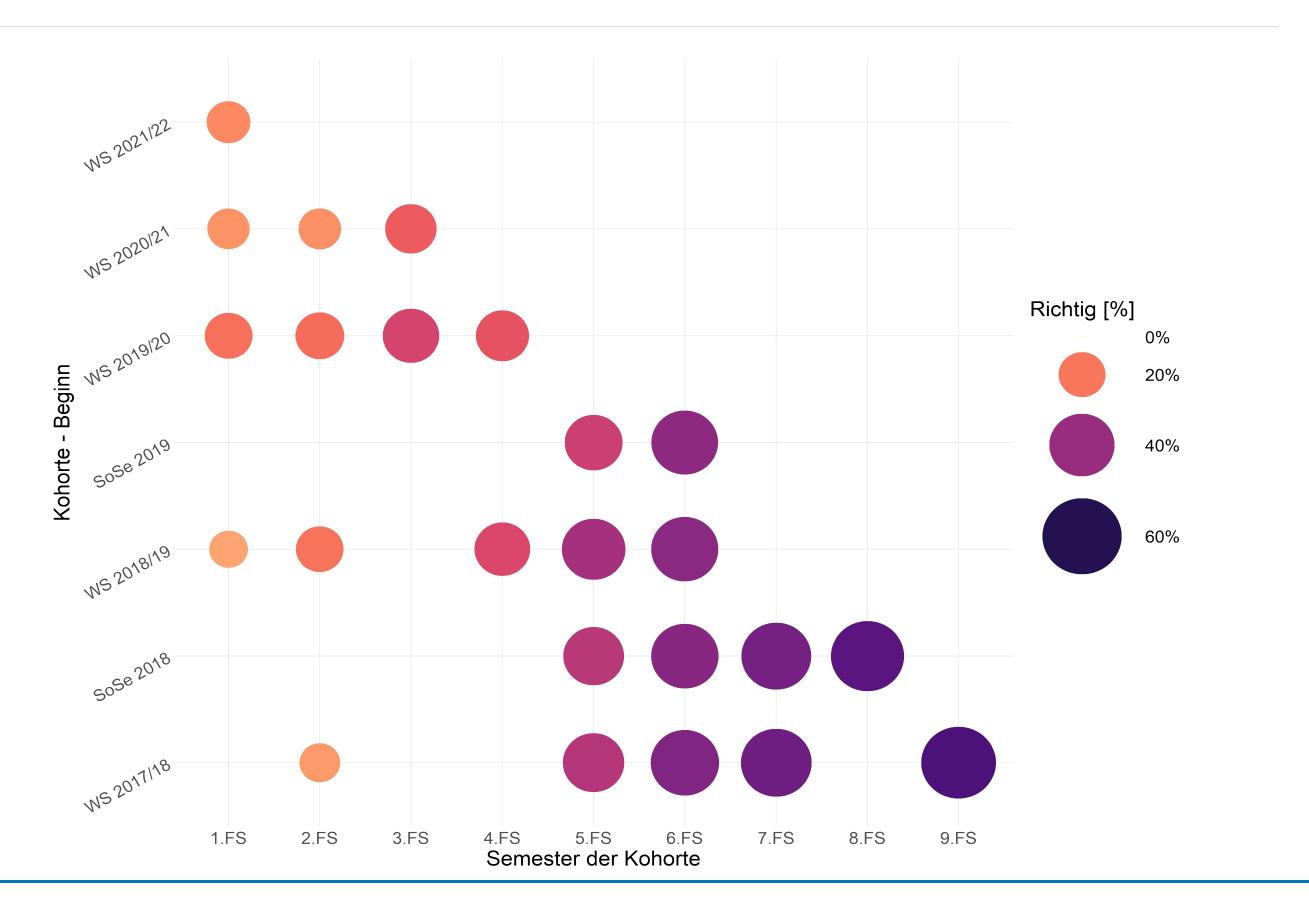

Die Grafik rechts zeigt die Leistung pro Semester der eigenen Universität/Fakultät im Vergleich zu allen anderen teilnehmenden. Die Boxplots zeigen die Leistung in dem Progress Test des Wintersemesters 2021/22, die Diamanten stellen den jeweiligen 10-Jahres Median dar.

Entwicklung der Kohorten

Die Grafik rechts zeigt die Entwicklung der eigenen Kohorten. Zu sehen ist der Wissenszuwachs pro Semester.

- ➤ Jeweils horizontal ist die Entwicklung einer Kohorte abgebildet.
- ► Vertikal sind die Leistungen für die einzelnen Fachsemester dargestellt.
- ► Diagonal sind die Ergebnisse eines Progress Tests über die Semester erkennbar.
